Accounts audited and found correct by B. R. Lander, 23rd February, 1978

^a Match fees of 50p per player were collected in 10 home matches; but there were 6 guests and in 3 games we were one player short, making a total of $110 - 9 = 101$ fees collected.

^b Subscriptions of £1 were collected from 13 members who played in 3 or more games, plus 39p from one who played in only 2 matches.

^c 24 teas at 40p each were provided for the game with Newcastle staff on 18th May, 1977.
