197. Treasurer's Report

The surplus on running costs last season was greeted with acclaim, but the Club was admonished by the Hon.Treasurer for allowing the illicit drinking of tea and biscuits by unauthorised 'hangers-on' at one College game. It was agreed to retain the 50p. per match fee for the coming season and because of anticipated price rises it was felt sufficient to provide only tea and biscuits for College games, with a full tea where matches started at 2.30. Dr. Williams agreed to have a word with Dr. Holland - about cricket balls.

198. The Secretary's report was approved. It was generally agreed that there had been a satisfactory involvement for all those who had played during the '74 season. Statistics concerning individual performances were circulated providing light relief to the general gloom over matches won and lost.

199. Fixtures 1975

A provisional list of fixtures was circulated. It was hoped that one or two open dates could be filled with fixtures against Durham School staff and the County Police. The Secretary was asked to write to the Board of Management of the Playing Fields and to the Captain of the University 1st XI about the loss of Tuesday 17th June as a fixture date. This was because of a Cricket Week which the University was arranging.

200. Any Other Business

As there was no other business the meeting closed at 5.45 p.m.
